Our international ministry teams are designed to facilitate the growth of the Kingdom in foreign countries. Working with primarily indigenous churches and pastors, we desire to use what skills, abilities, giftings and resources God has given us to help further what God is doing outside the United States. Giving ourselves as servants to the needs of foreign churches and communities, we hope to further the Kingdom as a whole. We do not desire to duplicate what God is doing at CLC, but to enhance and facilitate what God is doing wherever he sends us.

WE EXPECT YOU...

To have the heart motivation of a servant

To submit any questions, concerns or suggestions directly to your team leader

To be submitted and accountable to your team leader

To commit yourself to specific scheduled meetings and inform your team leader if you cannot be there

I have read and agree to the purpose of this international ministry team and submit this application to become part of this ministry to the body of Christ and Christian Life Center.
